

Sidewalk Buttler Program Participation Agreement

In exchange for your Sidewalk Buttler, which will collect and contain the cigarette butts outside of our Restaurant / Store / Public Space, I/we agree to service the units as required. Service entails unlocking the unit, emptying the internal cylinder into a plastic bag, and storing the butts in a safe area for collection.

By agreeing to this you/your business will facilitate helping to keep cigarette butts off our streets and out of our waterways.

In addition to the environmental benefit, you will be included in all publicity associated with this program and your business will receive a window sticker with the message: *"We Support Clean Streets & Waterways in Florence"*.

The Sidewalk Buttler receptacle, publicity for your participation in this program, and the program sticker aforementioned will be provided to you / your business at no cost. If at any time you/your business can no longer participate in this program you may contact Keep Florence Beautiful to have your Sidewalk Buttler receptacle removed from your property.

Business/Program Name: _____

Address/Location of Sidewalk Buttler: _____
